

## FR Y-14A Schedule A - Summary

### Summary Submission Cover Sheet

All BHCs and IHCs are expected to complete a version of the Summary template for each required scenario - *BHC Baseline, BHC Stress, Supervisory Baseline, and Supervisory Severely Adverse* - and additional scenarios that are named accordingly.

BHCs, SLHCs, and IHCs should complete all relevant cells in the corresponding worksheets, including this cover page. BHCs, SLHCs, and IHCs should not complete any shaded cells.

Please ensure that the data submitted in this Summary Template match what was submitted in other data templates.

Please do not change the structure of this workbook.

Please note that unlike FR Y-9C reporting, all actual and projected income statement figures should be reported on a quarterly basis, and not on a cumulative basis

(26)	The term "curve" refers to the reference rate used to price time deposits. Given that the pricing of time deposits is dependent on the term, the institution should provide the overall curve used to price time deposits. If the institution only assumes a single maturity term for new issuances, complete line 88B and 88C only, otherwise complete line 88A only.											
(27)	If the institution only assumes a single maturity term for new issuance, then the institution should provide the relative index and spread used to estimate new business pricing in lieu of the curve.											
(28)	A backlog should be based on probability weighted fees. The data should be consistent with historical internal reporting, not by market measurement. The last quarter should be the BHC's/IHC's/SLHC's latest backlog estimate.

Annual Reporting of Legal Reserves

a. For each year in the chart below, report the total dollar value of the institution’s legal reserve balance, representing the total legal reserve balance that was included on the institution’s financial statements for the as-of quarter. The BHC’s or IHC’s initial submission should contain annual legal reserve balances from Q4 of the as-of reporting quarter as well as Q4 from the prior four years.
