## Comment from owen kotler,

This is a Comment on the **Office of United States Trade Representative** (USTR) Notice: [Agency Information Collection Activities; Proposals, Submissions, and Approvals: Large Civil Aircraft Dispute Portal](#)

For related information, [Open Docket Folder](#) 

### Comment

as if we did not have it badly enough with covid19, unemployment at 20% or more and every sector in the economy suffering, the 25% percent is going to kill even more small businesses and put more people out of work than before. The american people are paying these tariffs and they will be the ko punch nobody deserves. Please removes the 25% tariffs as soon as possible

Thank you

Owen Kotler
