## Comment from Jeanine Anderson,

This is a Comment on the **Office of United States Trade Representative (USTR) Notice: [Agency Information Collection Activities; Proposals, Submissions, and Approvals: Large Civil Aircraft Dispute Portal](#)**

### Comment

I strongly oppose the creation of a new comment portal specifically for the WTO Airbus issue. These changes would make it significantly more time consuming to comment and will prevent the voices of the industries affected by this from being heard. Please do not move forward with the proposed changes to the USTR Large Civil Aircraft portal.

Respectfully,  
Jeanine Anderson
