To whom it may concern,
I am writing in regards to the proposed changes regarding the Large Civil Aircraft Dispute.
The business in which I am employed and our small business partners have suffered significant losses as a result of this tax, the implementation of which is irrelevant to the wine industry. I value these products as both a consumer and employee. The tariffs are not serving us and it is time to put them to an end. I am seeking action that will not wipe out the profits from small, family owned businesses in the United States and around the world.
I appreciate your consideration and understanding in this matter. I anticipate impactful change for our small businesses and those relationships with global partners.
In hope,
Malia
