hello,
I am a restaurant owner in San Francisco, California. trying to survive amidst pandemic and protests. The thought of continued tariffs and potentially even higher tariffs against the wines we sell is horrifying. Please don't add yet another hurdle to the survival of my restaurant. We were making money before this all began. We will find a way to survive and maybe someday make money again, we have kept all of our employees employed, please please don't make it even harder to survive by forcing me to charge more for the wines we sell the most at my restaurant.

thank you for your time
