Dear Suzanne,

I hope you, your family, and your colleagues are safe and well at this difficult time. On behalf of the American Economic Association, I'm writing to request a copy of the draft ICR (including survey instrument and supporting statement) for the NSF Survey of Graduate Students and Postdoctorates in Science and Engineering (OMB Control Number: 3145-0062), as invited by the [April 6 Federal Register notice](#).

Please advise if NSF expects any changes in the ICR relative to the current clearance https://www.reginfo.gov/public/do/PRAViewICR?ref_nbr=201709-3145-001

Thanks very much. Once I received your reply, I will post the information on <https://www.aeaweb.org/forum/>

Sincerely,

Andrew
