Prime Therapeutics appreciates the opportunity to comment on the proposed 2021 Part D Reporting Requirements (CMS 10185; OMB control number: 09380992).

The following comment is related to MTM Element K - Text of the criteria met:

Do the full values need to be entered? For example:

For "Current" MTM criteria, should "Multiple chronic diseases/multiple Part D drugs/cost threshold" be entered?

For "New" MTM criteria, should "Drug management program at-risk beneficiary" be entered?

For "Both" MTM criteria, should "Both" be entered?

Thank you.
