RE:

To Whom it May Concern:

The Census Bureau asked for your help in obtaining a count of all people aboard or assigned to U.S. Navy or U.S. Coast Guard vessels on April 1, 2020. In February, we sent packages of 2020 Census materials for you to distribute to the vessel(s). The vessel listed above has not returned the 2020 Census materials. We are now requesting that you provide the following information:

1. Completed Military Vessel Census Report (D-R-MIL) for the vessel listed above.
2. A list of the people that were aboard or assigned to this vessel on April 1, 2020. Please include the vessel name and the following information for each person: name, sex, date of birth, age on April 1, 2020, Hispanic origin, race, and an alternate address where the person lives or stays when off duty.

Please mail the above information immediately in the enclosed security tinted, pre-addressed, postage-paid envelope.

If you have any questions, please contact the National Processing Center at [npc.mve@census.gov](mailto:npc.mve@census.gov) or 1-866-208-6112.

Thank you for helping to ensure a complete and accurate count of the maritime population for the 2020 Census.

Sincerely,

A handwritten signature in black ink that reads "Steven D. Dillingham".
