To Whom It May Concern:

Please find attached the Bank Policy Institute's comment letter on the Treasury Department's submission of FinCEN's suspicious activity and currency transaction information collection requirements to OMB for renewal without change.

As the comment button does not appear for these items, but the Federal Register notice indicates that comments are to be submitted through www.reginfo.gov by August 31, I'm providing our letter here.

Please don't hesitate to reach out with any questions. Thank you in advance for your consideration of our comments.
