Dear President Trump, Ignore the critics and the fake polls. You are doing great! Nearly everyone I know is part of the silent majority, and we're looking forward to a big red wave leading to your reelection and the GOP keeping the Senate, retaking the House and winning at least forty governorships. My advice is keep up what you're doing. In fact you should triple down on your positions. Here's what we care about: 1) Protect Confederate statues 2) Protect the Confederate flag 3) Bring back incandescent light bulbs 4) Take down windmills 5) Paint the border wall black 6) Stop all trade with Canada until they buy more American milk 7) Don't let football teams change their names 8) More flyovers, fireworks and parades! *🌐
