stop letting anhybody fill out this application. we have far far too manhy massive numbers of immgirants from foreign contries here already. they are a source of constant complaints, constant criminality,some of them carry 20 forms of american social security number. we hae 39 million americans who have had their social security information stolen by these foreigner.

they come here to make trouble. some of them come here to blow us up. we are too stupid and let them in. they tell lies to come here. there shoudl be no such applcation. deny all of these foerigners from coming here. we are more than full up. the ones we have here already are making trouble allover america. they hav enotign bjut complaints. we are sick of all these foreigners. we dont need them at all. we can and shoudl close the damn borders to all foreigners. this coment is for the publi record.
