How will SBA protect my information to the extent permitted by law? Under the Small Business Act the SBDC is prohibited from sharing my information at all. It would be simpler to not collect my information, as set forth in the law.

This information collection is unnecessary. SBA has no need for my contact information in order to do its job. My personal information is not a performance indicator.

I enjoy a good working relationship with my SBDC. I don't want to be solicited by SBA or its agents.
