Several things are ambiguous, misleading and/ or confusing:

First and foremost: As a Client - It should be ABSOLUTELY CLEAR that OUR PRIVACY AND the INFORMATION WE DISCUSS with advisors will NEVER be shared without our specific consent for EACH and ANY REASONS!

- What does this really mean?: asking for this information to “meet Congressional and Executive Branch reporting requirements”. That doesn’t make sense. If the Small Business Act specifically prohibits SBDCs from sharing my information clearly Congress doesn’t want it, and there is no need for SBA to have that information
- section 11 of the form 641 is confusing
