since this is a former section of the code, there is no need to process this any longer it can be shut down as ended and banned. the section has been changed. i see no reason to give this waiver or to have this collection of information. we need more use of the sunset law in the us govt because fat cat bureaucrats will keep things going forever so they have a non existent job. shut down this entire operation. it will save taxpayers dollars. and that is very important in the crazy out of control spending that is gonig on in this fake pandemic period. it is a fake pandemic.
