So, the SBA is asking for this information to “meet Congressional and Executive Branch reporting requirements”. Utter nonsense. If the Small Business Act specifically prohibits SBDCs from sharing my information clearly Congress doesn't want it, and there is no need for SBA to have that information. I enjoy a good working relationship with my SBDC. I don't want to be solicited by SBA or its agents. This information collection is unnecessary. SBA has no need for my contact information in order to do its job. My personal information is not a performance indicator. Let's not pretend we don't know what this is about. Leave it as is, please and thank you.
