The SBDC, Is A MUST!!! need support system to small business, especially NOW for many reason" and especially to Minority Companies , We also have a place and that is we are a great part of economically growth and back bone to our local stat as well as cities and our country,

(a) Because of this coronavirus ,it put African America at a higher disadvantage than normally.

(b) SBDC ,Is a GREAT Financially HELP in so many ways, to many to name all,
but a couple example,

(1) How to invoice, And understand setting up payroll for your company ,as well keeping transparence steps in place for payroll, Setup business Tax's as well as personal tax, understand Quick books, Understand state guide line and rules for your business on a state level as well federal,

(2) Truly its a BIG help to(Minority) woman Owen business like myself, that receive their guidance in many crucial area in operating a business, that may not have the privilege to hired a company to help in certain areas to move their Business FORWARD,
