<BAS_NAME>

<BAS_POSITION>

<BAS_DEPT_NAME>

<BAS_MAILING_ADDRESS>

<BAS_CITY_STATE_ZIP>

The U.S. Census Bureau is now conducting the Boundary and Annexation Survey (BAS). Do not miss your opportunity to participate in the BAS to ensure that the Census Bureau has current and accurate boundary, legal name, and status information for your government.

Your government is in more than one county, and at least one of these counties is responding to the BAS on behalf of a portion of your government. Please respond to the BAS for the portion of your government not included in the consolidated BAS (CBAS) agreement. Visit the [BAS website](#) to view the list of counties with CBAS agreements to determine which portion of your government is not included in an agreement and requires your response. If you are interested in joining a CBAS agreement that your government is not included in, please email geo.bas@census.gov for more information.

The BAS is a voluntary survey. We strongly encourage your participation in the BAS for the following reasons:

- Boundary updates complete the Census Bureau’s geographic framework for data collection, tabulation, and dissemination, and are vital to the success of the decennial census, the American Community Survey (ACS), Population Estimates Program (PEP), and many other censuses and surveys.
- The federal government allocates more than \$675 billion in federal funds annually for health, welfare, infrastructure, education, and other federal programs and services.
- Responding to the BAS ensures that your local government receives the funds for which it is entitled and has the best data available for its decision-making processes.

Action Step:

- **Respond to the BAS.** On the BAS website, you will find step-by-step instructions on how to start the boundary updating process and respond to the BAS.

NOTE: Please respond to the BAS with a “No Changes” response if you have no boundary or contact updates to report for your government. If you do not respond, we will contact your government to confirm your boundary change status.

TRAINING OPPORTUNITIES

The Census Bureau is offering training webinars for the BAS. The webinar schedule and registration instructions are on the [BAS Webinars webpage](#).

KEY DATES

- January 1** Boundary updates must be legally in effect on or before this date to be reported in the current survey year.
- March 1** Boundary updates returned by this date will be reflected in the ACS and PEP data and in next year's BAS materials.
- May 31** Boundary updates returned by this date will be reflected in next year's BAS materials.
