public comment on federal register

all of these grants spending should be cut down to zero. since library facilities are so limited and the taxes we are paying for getting nothing at libraries these days, it is clear that the spending needs to be curtailed. hours have been cut back. you cant read newspapers or magazines there, they get 14 holidays a year plus all the benefits . the cost for libraries is going out of sight and the people get nothing anymore. i am not in favor of this fat cat bureaucracy. i think we should save tax dollars and start closing some of them entirely.  
this has become a fat cat job for employees and the libraries seem to be run for the employees, not for the patrons. this comment is for the public record. please receipt. jean public [jean public1@gmail.com](mailto:jeanpublic1@gmail.com), the libraries are giving service in the f minus grade mark area.
