

OMB Control Number: 3150-0217
Expires: 1/31/2023

Dear RIC 2021 attendees:

Thank you for attending the U.S. Nuclear Regulatory Commission's (NRC's) 33rd Regulatory Information Conference (RIC) and making the first-ever virtual RIC such a success! To build on the achievements made and to address any areas where refinements could be made to the conference program, we are requesting you to take a moment to complete the short survey below. Please note that this survey takes approximately ten (10) minutes to complete, and that your responses are kept confidential. Data will only be presented in aggregate form. Again, thank you for your support of the RIC!

The estimated burden to respond to this voluntary information collection is ten (10) minutes. The information provided will be used to determine areas of improvement for future conferences. If a means used to impose an information collection does not display a currently valid OMB control number, the NRC may not conduct or sponsor, and a person not required to respond to, the information collection.

Click the button below to begin the survey.
