Dear Mr. Ross and Ms. Montague:

Thank you for your response, on behalf of the School Nutrition Association, to the Federal Register notice requesting comments on the proposed information collection for the School Food Purchase Study IV. Your letter was submitted through the web portal for a different proposed Food and Nutrition Service study, the Special Nutrition Programs Quick Response Surveys, so I forwarded it to the appropriate contact for the School Food Purchase Study. You should expect a separate response to your comments.

We appreciate your support for the Federal nutrition assistance programs.

Sincerely,

A handwritten signature in blue ink that reads "Amy Rosenthal".
