

# **CLEVELAND YOUTH FOR YOUTH PARTICIPATORY ACTION RESEARCH PROJECT**

**We are looking for youth from Cuyahoga County ages 10-18 to participate in a Youth Participatory Action Research program.**

**The purpose of this research program is to learn more about youths' experiences of their neighborhood and how it affects their health and wellbeing including the experiences of youth who have a parent who has been or is in jail/prison.**

**You'll learn skills related to photography and community engagement and have a chance to make a difference in your community.**

**Where: Remote (Zoom) or in person - flexible days/times**

**Contact: Elizabeth Benninger
