

Feedback for Virtual Annual Assessment Meeting for Region I Operating Plants

OMB CONTROL NUMBER: 3150-0217 (expires: 1/31/2023).

The Nuclear Regulatory Commission (NRC) staff is seeking your feedback on Region I's efforts to present assessment information for our power plants in a virtual format, versus the more traditional in-person meetings conducted in the vicinity of operating reactor plants. This survey is tailored to gather information to inform future decisions on conduct of these types of meetings and is being used to supplement the standard public meeting feedback form.

Estimated burden per response to comply with this voluntary information request: five (5) minutes. The information will be used to assess the effectiveness of NRC staff outreach with the public during virtual annual assessment meetings. Send comments regarding this estimate to the FOIA, Library, and Information Collections Branch (T6 A10M), U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001, or by e-mail to Infocollects.Resource@nrc.gov and to the Desk Officer, Office of Information and Regulatory Affairs, NEOB-10202 (3150-0217), Office of Management and Budget, Washington, DC. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

General Information

1. Which best describes your primary affiliation when interacting with the NRC?
 - ☐ Member of the public
 - ☐ Representative or member of a non-profit organization, including legal representation
 - ☐ Representative or member of an industry trade association
 - ☐ Representative or employee of federal, state, or local government organization
 - ☐ Employed in the reactor industry, including reactor licensee plant/utility personnel, as well as contractors and consultants
 - ☐ Public affairs representative of a reactor licensee.
 - ☐ Member of the media
 - ☐ NRC staff, contractors or consultants
 - ☐ Other _____
2. What plants were you interested in hearing about during the meeting? [Select all that apply]

<input type="radio"/> Beaver Valley	<input type="radio"/> Nine Mile Point
<input type="radio"/> Calvert Cliffs	<input type="radio"/> Peach Bottom
<input type="radio"/> Fitzpatrick	<input type="radio"/> Salem
<input type="radio"/> Ginna	<input type="radio"/> Susquehanna
<input type="radio"/> Hope Creek	<input type="radio"/> All (Interested in General Information about NRC Oversight at Nuclear Power Plants)
<input type="radio"/> Limerick	

Meeting Conduct

Please address the following statements in terms of your experience at the meeting. 1 is "Strongly Disagree" and 5 is "Strongly Agree".

3. The NRC staff shared valuable information about the NRC's role in oversight of operating reactor facilities

4. The virtual format contributed to the success of the meeting.
5. Combining multiple plants into a single meeting contributed to the success of the meeting and allowed me to understand more about NRC oversight of operating power plants.

Prior Meeting Attendance

6. Have you attended an in-person Annual Assessment Meeting in the past?
 - ☐ Yes
 - ☐ No

Prior Meeting Attendance (cont.)

If the answer to Question 6 was "No"

7. Why didn't you attend previous meetings? [Select All That Apply]
 - ☐ Inconvenient meeting location
 - ☐ Meetings times were inconvenient
 - ☐ Wasn't aware of the meeting
 - ☐ Didn't want/need the information at the time
 - ☐ Other

Comparison to Prior Meetings

If the answer to question 6 was "Yes"

8. What type of in-person annual assessment meeting had you previously attended?
 - a. Open House
 - b. Town Hall-style
9. The virtual meeting format represented an improvement over previous in-person meetings.
 1. Strongly Disagree 2. Disagree 3. Neutral 4. Agree 5. Strongly Agree

Other Feedback

10. What kind of information are you interested in regarding the power plants you were interested in hearing about?
11. Please provide any suggestions you have on ways Region I could improve their public annual assessment meetings:
