

Principles of Pediatric Clinical Pharmacology and Therapeutics

October 2020-June 2021

Continuing Medical Education (CME) Customer Satisfaction

Questionnaire

OMB# 0925-0642 Exp Date: 3/31/2023

Thank you for attending the 2020-21 Principles of Pediatric Clinical Pharmacology and Therapeutics Lecture Series. We are pleased to have been able to offer CME credits this year. As part of the CME process, we request your feedback on the items below.

Public reporting burden for this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0642). Do not return the completed form to this address.
