General Comment

THEY WOULD NOT "DROP OUT OF CARE" IF THEY EXERCISED THE LEAST MODICUM OF BEHAVIORAL ATTENTION TO THEIR PROBLEMS AND DID NOT LIVE WITH ABANDON. WHO IN USA HAS THE RIGHT TO LIVE WITH ABANDON EXPOSING THEMSELVES TO DISEASE AND INJURY AND MAYBE IF YOU ARE THAT KNID OF PERSON YOU SHOUDL BE PAYING YOIJR OWN WAY INSTEAD OF EXPECTING YOIJR NEIGHBOR TO PAY YOUR MEDICAL BILLS. WE ALL HAVE TO EXERCISE RESTRAINT IN SO MANY WAYS OF LIVING. WHY SHOUDL GAYS BE EXEMPT? I AM NOT IN FAVOR OFALL THIS SPENDING. THE TRILLIOSN OF DOLLARS FOR A GROUP THAT FAILS TO EXERCISE THE RESTARNT EVERYBODY ELSE IN THIS COUNTRY HAS TO EXHIBI HAS NOT RIGHT TO EXPECT TRILLIONS OF DOLLARS TO RESCUE THEM. THIS SPENDING NEEDS TO BE CUT BY 50% IMMEDIATELY. IT IS OUT OF CONTROL AND OBSCENELY HIGH.
