| Other change** This is a request for the Education Innovation and Research (EIR) Program--Early-phase Grants program to use the 1894-0006 generic application. This program provides funding to create, develop, implement, replicate, or take to scale entrepreneurial, evidence-based, field-initiated innovations to improve student achievement and attainment for high-need students; and rigorously evaluate such innovations. The EIR program is designed to generate and validate solutions to persistent education challenges and to support the expansion of those solutions to serve substantially larger numbers of students. | | |
