it is time to start crackin down on all these endless chances we give to alllow those who come here to stay here forever. the usa is overcrowded with all of these foreigners who come here to assault us. we dont need these foreigners here. the overwhelming of americans want this immigration to stop completely. polls show 76% of americans want all of this foreign immigratino stoipped. we are overwhelmed. we are goin bankrupt in ordinary american life because we are being taxed to pay for the benefits of the worlds foreigners who want to come here solely because they immediately become eligible for freebies of all knids. free medical care, free rent, free food, free schooling. all of it for foreigners who havent contibuted one thin dime to these benefits. the hard working gneeral populatoin of the usa has contributed these funds and they are being overhwlmed and assaulted and spat upon by these foreigners, mostly of other races who come here and spit in our eyes. its time to stop this horror going on in americ.a it is pure sheer horror for all of us. a grandmother in usa was killed by an illegal imgrirant in san fran the other day, one of those hordes who newsom wants and pays off . its just sheer insanity. <https://www.dailymail.co.uk/news/article-9409307/PICTURED-Grandmother-66-stabbed-random-attack-LA-park-walking-dog.html>
