Dear Chris,

Thank you for your response to the Federal Register Notice Document# 2021-04610, 86 FR 12901 dated March 5, 2021.

Your comment recommended increasing the form block size. In addition, you pointed out that the time needed to complete the form on the form itself doesn't match the time provided on the agency's supporting statement. USAID considered your comment and determined that the response box size on the form is adequate. USAID did not find any inconsistencies on the Bio-data form. No changes to the form were made as a result of the public comment.

We thank you for your response.

Sincerely,

Jacqueline Lewis Taylor
