Ms. Fairley,

We just spoke on the phone about an item slated to be published in Monday's *Federal Register* regarding an information collection request for OMB Control Number 1205-0421 (O*NET Data Collection Program). As I mentioned, the notice is described as a "revision" but there is no detail provided about what, if anything, is actually being changed. As a result, any additional information you can provide would be extremely helpful.

Thanks and have a great weekend,

Erik
