youe "customer" should be the entire population of citizenry of the usa, not just rich corporations who want foreign slaves to break us wages. your "focus groupo" are discriminatory and do not represent the us citizenry. govt of the people by the people for th epeople. you are lmiting to your pals who want to change the entire u.s. constitution in its dedicaton to all citizens have a right to comment on govt. you are in fact excluding th emajority of citizens by your focus groups and trying to allow millions of harmful diseased leaching lawbreaking foreigners to sneak in here so you can tax exorbitantly every working person in america to pay for their care. they want freebies of free food, free rent, free school, free medical care all on the wallets of american citiens. they represent a decline in the standard of living for american citizens. this agency is an anti american agency at this point in time with its focus on loading down american citizens to pay for these foreign leaching lawbreaking lying immigrants.
