i am opposed to allowing any foreigner who sneaked unlawfully and criminally into this country from filling out any form to give him any right to stay here or to become a citizen, they belong in their own country., we have laws on the books and we have a corrupt govt that is allowing our laws to be breached and that is absolutely and totally wrong it hurts all americans to allow these people to sneak in here and just go wherever they want to go, they all along in gtheir own country. there is no reason to allow this to happen for these sneaking unlawful criminals.deport them all to their own country
