there is absolutely zero monitoring of this for illegalimmigarnts and it has become a criminal racket. the fact is the sponsors say they will pay for the costs of the immigrants that come flooding in here but they never do. they shortly get themon the usa welfare rollsI by giving them fake documetns so thatthe huge flood of foreigners that come here are shortlyh on every welfare program we have. the welfare programs for americans are going up up up in costs becuase of the huge massive flood of foreigners who come here and allof a sudden thave american documents to be on ever american welfare program we ever had. the sponsors are nothing but criminals. where is the laws that put these sponsors who lie to the american gove in jail and then deport them too forlying. where is the law thast if you sponsor somebnody and then dont show you are pazying for that party you sponsored that then youu pay a huge fine and then get drported yourself along wqith the fake foreigner you just sponsored. why are we letting people get away wqith this crookedcriminal acvitivity. why. a govt that wants the usa to be annihilated by everybody int he world coming here to liveon us. no wonder the amerivcanmiddle class isgoing doqwn the tube. we are annihilated by the costs for the massive flooding intot he usa of lies allof the time. every single program the immigration or state dept handles is nothinb tu a lie factory. a terrible all encompassing foreign crminal actity to take advantage of middle americansw who pay the big taxes in this country. we are sick of this criminal activity. it needs to stop. deport the criminal sponsors that cannot show they are paying for the people they brin gin here. deport the people they bring in and the sponsors who lie to the us govt.
