Farm Producer Study

Confirmation Questions

Following the gender questions shown below, one of the treatment groups will receive an additional question if they respond via the web or through a phone interview.

d.	How do you currently describe yourself?
	XXXX Male
	XXXX Female
	xxxx
	xxxx None of these, specify: xxxx
_	Was your say recorded as male or female at high?
e.	Was your sex recorded as male or female at birth? xxxx 1 ☐ Male
	2 Female
	2 Telliale
The co	onfirmation question will be programmed to appear when the responses to questions d and e
Logic:	
	male and $d = female$), ($e = female$ and $d = male$), ($e = male$ and $d = transgender$), ($e = female$ and $d = transgender$), then display:
	o confirm, you were recorded as [response] at birth and currently describe yourself as [gender nse]. Is that correct?
	Yes No
If the	respondent selects "none of these" in the gender question the wording should be:
Logic:	
If (e =	male and d = none of the these) or (e = female and d = none of these), then display:
	o confirm, you were recorded as [response] at birth and currently do not describe yourself as male, e or transgender. Is that correct?
	☐ Yes ☐ No

their	answers to the two gender identity questions.
d_coı	rrection:
Pleas	e confirm or correct your answer to the following question:
d.	How do you currently describe yourself? xxxx
	rection: e confirm or correct your answer to the following question:
	Was your sex recorded as male or female at birth? xxxx 1 ☐ Male 2 ☐ Female

If the response to the confirmation question is "No" respondents will be prompted to confirm or correct
