

OMB No. 2133-NEW
Expiration Date: _____

A federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with a collection of information subject to the requirements of the Paperwork Reduction Act unless that collection of information displays a current valid OMB Control Number. The OMB Control Number for this information collection is 2133-NEW. Public reporting for this collection of information is estimated to be approximately 120 minutes per response, including the time for reviewing instructions, completing and reviewing forms and other instruments associated with the collection of information. All responses to this collection of information are required to obtain or retain benefits. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: Information Collection Clearance Officer, Maritime Administration, MAR-390, 1200 New Jersey Avenue, SE, Washington, DC 20590.

2019 Port Infrastructure Development Program (PIDP) Project Information Form

| Field Name | Response | Instructions |
|--------------------------------------------------------------------------------------------|------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Applicant Name | | Enter the name of the Applicant. This should be the same as the one used in the Grants.gov SF-424 submission, as well as the application narrative. |
| Project Name | | Enter a concise descriptive title for the project. This should be the same as the title used in the Grants.gov SF-424 submission, as well as the application narrative. |
| Project Description | | Describe the project in plain English terms that would generally be understood by the public, using no more than 100 words . For example, "The project will replace the existing bridge over the W river on Interstate X between the cities of Y and Z" or "the PIDP Grant will fund construction of an upgraded wharf at the Bay Street terminal." Please do not describe the project's benefits, background, or alignment with the selection criteria in this field. |
| Project Outcomes | | Identify the outcomes, if any, that this project will advance. The Department seeks projects that will: (1) advance technology-supported safety and design efficiency improvements; (2) bring facilities to a state of good repair and improve resiliency; (3) promote efficient trade in energy resources; (4) promote exports of manufacturing, agriculture, or other goods; and (5) for only the top 15 coastal ports, support the safe flow of agricultural and food products, free of pests and disease. Do not include any discussion or supporting information. If the project does not advance any outcomes, indicate "none." |
| GIS Coordinates | | Identify the coordinates where the work will be located. Coordinates should identify, as best as possible, the geographic center of location of the project. |
| Project City | | Identify the city where the project is located. For projects that are located in more than one city, identify the city where the project is principally located. This should correspond to the GIS coordinates identified above. |
| Project State | | Identify the state where the project is located. If a project is located in more than one state, identify the state where the project is principally located. This should correspond to the GIS coordinates above. |
| Project Zip | | Identify the zip code where the project is located. For projects that are located in more than one zip code, identify the zip code where the project is principally located. This should correspond to the GIS coordinates identified above. |
| Opportunity Zone | Select one | Indicate whether the principal location of the project is in a qualified opportunity zone. |
| Does this project include purchase of any fully automated cargo handling equipment? | Select one | Indicate whether the project includes procurement of any fully-automated cargo-handling equipment. |
| Anticipated Environmental Outcomes? (NEPA Status) | | Indicate the anticipated NEPA level of review for the project (e.g., Categorical Exclusion, Environmental Assessment/ Finding of No Significant Impact, or Environmental Impact Statement/ Record of Decision, etc.) and describe the status of the review (e.g., not started, in progress, completed, etc.). |

| | | |
|---------------------------------------------------------------------------------------------|------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Project previously Submitted? | | Was the project submitted in a previous BUILD/TIGER/FASTLANE/INFRA round? If so, indicate which round(s) it was submitted in. Example: "TIGER Round 9, INFRA Round 1 and BUILD Round 1." |
| Applicant previously received BUILD/TIGER/FASTLANE/INFRA funding? | | Identify whether the project has previously received BUILD/TIGER/FASTLANE/INFRA funding. |
| Do you anticipate requiring a Buy American waiver? | Select One | Indicate whether a waiver of the Buy American requirements may be necessary to complete the project. |
| PIDP Grant Amount Requested | | Enter the total amount of PIDP grant funds requested. |
| Future Eligible Project costs | | Enter the total amount of future eligible project costs. This amount excludes previously incurred expenses. |
| Total Project Cost | | Enter the total cost of the project. |
| Total Federal Funding | | Enter the total amount of Federal funding from ALL Federal sources, including the amount of PIDP grant funding requested. |
| Includes Transportation Infrastructure Finance and Innovation Act (TIFIA) Financing? | | Will the project utilize TIFIA financing? |
| Includes Railroad Rehabilitation & Improvement Financing (RRIF)? | | Will the project utilize RIFF financing? |
| Total Non-Federal Funding | | Enter the amount of funds committed to the project from non-Federal sources. |
