Appendix B: Research Participant Survey

Thank you for taking part in this study conducted by the IDA Science and Technology Policy Institute (STPI) on behalf of the National Science Foundation's Emerging Frontier in Research and Innovation (EFRI) program and the Engineering Research Centers (ERC) in the Directorate for Engineering. STPI is a Federally Funded Research and Development Center (FFRDC) that provides rigorous, independent research and analysis to the Federal government.

Purpose of the Survey

This survey solicits your perspective as a former research participant in the Research Experience and Mentoring (REM) program.

Confidentiality Statement and Instructions for the Survey

STPI is independent of the National Science Foundation (NSF) and has been contracted to collect these data. All responses will be kept confidential and protected to the extent possible by law. Only aggregate data will be provided to NSF and your survey responses will not be linked to you or your institution. Your decision to participate is voluntary and will have no effect on your current or future relationship with NSF.

The survey will ask for information about your experience as a REM research participant. The estimated survey completion time is 20 minutes. You will be able to move backward through the survey to review or edit responses. Your survey responses are automatically saved up to the last submitted page, so you will be able to pause and return mid-survey using the link provided. However, once you submit the survey, you will not be able to edit your responses.

If you would like to review information about the NSF REM Program, please visit https://www.nsf.gov/eng/efma/rem.jsp

Paperwork Reduction Act Burden Statement:

The public reporting burden to complete this information collection is estimated at [#] minutes per response, including the time for reviewing instructions. This collection of information is voluntary. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number and expiration date. [OMB Control Number x, expiration date].

Inquiries and Concerns

If you are not the best person to complete this survey about the REM program, or if you have any questions or concerns about completing this survey, please contact us at REMeval@ida.org.

If you would like to verify the authenticity of this study with the NSF, please contact Dr. Alias Smith (alismith@nsf.gov).

Your responses are invaluable to the study. Thank you for your participation.

REM Award Information Our records indicate that you were part of a REM program in [YEAR], at [INSTITUTION], working on [GRANT] with [PI]. Do you remember participating in this program? ☐ Yes, I remember ☐ No, I do not remember Does the above information accurately describe the number of times you participated in the REM program, as well as the year(s), institution(s), grant(s) and PI(s) of your REM program(s)? ☐ Yes, the above information is accurate ☐ No, the above information is NOT accurate [If No, the above information does not accurately describe my REM program(s)] Please list the year(s) you participated in the REM program, and the institution(s) at which you participated. Was the REM program your first research experience? ☐ Yes, this was my first research experience ☐ No, this was not my first research experience Have you participated in other research experiences since the REM program? ☐ Yes, I have participated in other research experiences ☐ No, I have not participated in other research experiences Which categories best describe your student or employment status during your REM program(s)? Please select all that apply. ☐ High School Student ☐ Community College Student ☐ Undergraduate Student ☐ High School Teacher ☐ Community College Faculty □ University Faculty □ Other **Future Directions and STEM Retention** Please select the highest level of school you have completed. ☐ Less than high school- No Diploma ☐ High School Graduate- high school diploma or equivalent (for example: GED) ☐ Some college but no degree ☐ Associate degree in college - Occupational/vocational program ☐ Associate degree in college -- Academic program ☐ Bachelor's degree (For example: BA, AB, BS) ☐ Master's degree (For example: MA, MS, MEng, MEd, MSW, MBA) ☐ Professional School Degree (For example: MD,DDS,DVM,LLB,JD)

| □ Doctorate degree (For example: PhD, EdD)□ Other | | | | | | |
|---|---|-----------------------------------|-------------------------|---------------------------------|-------------------------------|---------------------|
| {if any other than "High School Graduate, or Less than high school"} Is your current or desired job/educational program in a Science Technology Engineering or Math (STEM) field? A STEM field is defined by the NSF as having a Science & Engineering (S&E) or S&E-related bachelor's or higher degree or who work in an S&E or S&E-related occupation. ☐ Yes, my current or desired job/educational program is in a STEM field ☐ No, my current or desired job/educational program is NOT in a STEM field | | | | | | |
| {If currently in STEM} Has the REM STEM field? Yes, the REM program co No, the REM program did {If yes, it did contribute} You indicestudy or work in a STEM field.
