Apply to be an iCURE Scholar

Thank you for your interest in the iCURE program!

iCURE Eligibility

iCURE scholars must be a citizen or non-citizen national of the United States or an individual who has been lawfully admitted for permanent residence in the United States.

Postdoctoral Candidates

Postdoctoral fellows must have acquired a PhD, MD, or other equivalent degree by the proposed iCURE start time and should have completed no more than five years of relevant research experience since receipt of the most recent doctoral degree.

iCURE postdoctoral fellows research experience awards will be for three years.

OMB No.: 0925-0761
Expiration Date: 07/31/2022
Collection of this information is authorized by The Public Health Service Act, Section 411 (42 USC 285a). Rights of study participants are protected by The Privacy Act of 1974. Participation is voluntary, and there are no penalties for not participating or withdrawing from the study at any time. Refusal to participate will not affect your benefits in any way. The information collected in this study will be kept private to the extent provided by law. Names and other identifiers will not appear in any report of the study. Information provided will be combined for all study participants and reported as summaries. You are being asked to complete this form so that we can process your application for the Intramural Continuing Umbrella of Research Experiences (iCURE) program.

Public reporting burden for this collection of information is estimated to average 120 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. **An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.** Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0761). Do not return the completed form to this address.
