i think those who want to marry an alien shoudl leave the usa and go live in the aliens country. i dont think we shoudl allow in any more aliens of any kind. we have millions of illegal imimgarnts that have flooded this country, we have afghans coming in by the thousands, the american citizens have to pay for all of these people and there is no financial regulation on the books that prevents any of them b=from getting free medical care, free food, free rent, and free schooling and they pay no taxes. it is time to shut down all foreigner moving to this country. let the swooning fiance move to the alien country and join their loved one there. no more aliens in this country are desired. we want a moritoum on foreigners comnig here. foreigners are abut 1/2 this entier country right now becdause of the failure to enforce our laws. the corruption going on by govt at the direction of siliocn valley is corrupt as can be. we are overswamped and overexploited as americna citziens. we get no help because the help is all going to foreigner who want all the help and get all the helpf
