Complete Schedule A only if your trade or business is a specified service trade or business (see instructions) and your taxable income is more than \$163,300 but not \$213,300 (\$326,600 and \$426,600 if married filing jointly). If your taxable income isn't more than \$163,300 (\$326,600 if married filing jointly) and you're not a patron of an agricultural or horticultural cooperative, don't file this form; instead, file Form 8995, Qualified Business Income Deduction Simplified Computation. Otherwise, complete Schedule D (Form 8995-A) before beginning Schedule A. If your taxable income is more than \$213,300 (\$426,600 if married filing jointly), your specified service trade or business doesn't qualify for the deduction. If you have more than three trades or businesses, attach as many Schedules A as needed. See instructions.
