Dear Mr. Renkema:

EMTC would like to file comments on CBP's Global Business Identifier (GBI) but we want clarification on two points concerning the FRN:

1. Does CBP intend to test the LEI, GLN and DUNS in the Evaluative Proof of Concept (EPoC) in order to select one of them as the unique identifier as the GBI or does CBP intend to test using all three identifiers to use as GBIs?
2. What shipments will GBI apply to – all type of shipments, all modes of transportation and service providers?

Thank you for your assistance.
