Good morning - Sorry for the delay in responding. I was out of the office for surgery. The burden estimates are located in the table on the 2nd page of the notice (copy attached for your convenience). The "burden" is the completion times shown in the table and the number of responses we think we'll receive on an annual basis.

Please let me know if you have any additional questions or concerns. Thank you,

Madonna L. Baucum

Ms. Baucum

Can you please clarify the following; where is the estimate specifically. I can't comment on it nor the methodology if I can't find it:

(2) The accuracy of our estimate of the burden for this collection of information, including the validity of the methodology and assumptions used;
