The Service Information Collection Clearance Officer...

Thank you for the opportunity to respond to the report issued by the Office of Management and Budget in regards to monitoring the Friends Program of the Fish and Wildlife Service. I

In January 2021, I will begin my third year as President of the Friends of the Neosho National Fish Hatchery. I will also be in the middle of my fourth year as Book Store/Gift Shop Manager. This past March I wrapped up a three-year term as President of the Freeman Health System Auxiliary and am currently Recording and Corresponding Secretary for the Auxiliary through March 31, 2022. Also, I sit on the Board of Mental Health for Newton County MO. My husband and I deliver Meals on Wheels. Lastly, I work with Children's Church and Vacation Bible School at my church.

With all this being said, I have no desire to handle any additional forms or paperwork, etc. I will be happy to snail mail or email my agenda for each meeting, minutes and financial reports to the designated recipient along with a roster of current officers.

Thank you,

Susan Carlsten
