it is time to stop reimmigration. if the illegal lawbreaker has been deported, he or she should stay deported. i see no reason to let them back into this country again. clearly they are lawbreakers which means they don't understand and in fact don't intend to observe any laws with their conduct. they just sneak in and do what they want, they are not good candidates for being a citizen. they are about as poor a candidate to be a good citizen as you can imagine. keep them out. they have a country. they can immigrate to south america. they don't have to come here. there are many countries in the world. let them pick another one. not us. shut down any such application and just demand an end to it when they sneak in the first time.
