Re: Proposed Information Collection Activity; Child Support Annual Data Report and
Instructions (OCSE-157); 86 Fed. Reg. 57433, October 15, 2021

Dear Mary B. Jones:

The Florida Department of Revenue, Child Support Program provides the following comment in response to the above-referenced information collection activity.

On the instructions for Form OCSE-157, Annual Data Report, we recommend deleting the text added to Section F introduction, and to Lines 25 & 27 that reads, "For purposes of this report, report distributed collections as prescribed in 45 CFR 302.51." This section of the code does not prescribe reporting requirements; it does prescribe required provisions of the state plan relating to a subset (only) of total distributed collections. Additionally, to calculate incentives as required by the Child Support Performance and Incentive Act of 1998, all distributed collections should be reported on the OCSE-157.

We appreciate the opportunity to provide input. Thank you.

Sincerely,

Ann Coffin
Director
Child Support Program
