

Survey for Cancer Health Disparities Interest Group Activities in 2021

Thank you for your interest and continuing participation in our group. We've initiated our group in February, 2020 and have been organizing monthly seminars related to health disparities. We would like to hear your thoughts/suggestions on our activities in 2021 and want to engage more with you. We will do our best to coordinate our 2022 meetings upon your suggestions. Thank you for participating in the survey.

* Required

OMB No.: 0925-0642
Expiration Date: 03/31/2023

Public reporting burden for this collection of information is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. **An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.** Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0642). Do not return the completed form to this address.

How many times did you attend our meetings in 2021? (Please reference each seminar below for a reminder) *

- ☐ None
- ☐ 1-2
- ☐ 3-5
- ☐ 6-8
- ☐ > 8

What was your favorite meeting/seminar in 2021? You can choose multiple options. *

- ☐ Feb: Dr. Megan Clarke, "Building resources to address disparities in gynecologic cancers"
- ☐ April: Dr. Tanya Agurs-Collins, "Designing multilevel interventions to reduce obesity-related cancer health disparities"
- ☐ May: Dr. Barry Graubard, "Application of the Peters-Belson Method to the Estimation of Disparities"
- ☐ June: Dr. Erica Warner, "Breast Cancer Health Equity"
- ☐ July: Dr. Dustin T. Duncan, "Applications of Geospatial Methods to Study Neighborhoods and Health Disparities"
- ☐ August: Dr. Melissa Troester, "Molecular Underpinnings of Breast Cancer Disparities"
- ☐ September: Dr. Scarlett Lin Gomez, "Cancer epidemiology and multilevel research among Asian American populations"
- ☐ November: Dr. Johnnye Lewis, "Environmental health disparities in Native Americans"
- ☐ December: Dr. Mya L. Roberson "Who are we missing? : Centering Equity in Cancer Care Delivery Research"
- ☐ None of above

How do you rate overall quality of seminars? (1-10) *

What did you like best about the seminars?

Your answer

What could be improved regarding the seminars (e.g. format or topics)?

Your answer

Which area of health disparity issues you would like to learn/discuss in 2022? You can choose multiple options. *

- ☐ Conceptual framework in health disparities (cancer and beyond)
- ☐ Disparity in cancer screening
- ☐ Racial disparities in cancer outcomes
- ☐ Sex disparities in cancer outcomes
- ☐ Sexual and gender minority disparities
- ☐ Intersection between socioeconomic status and cancer outcomes
- ☐ Environmental factors in cancer disparities
- ☐ Qualitative measures in health disparities
- ☐ None of above

Please specify your interest area if it's not listed above

Your answer

Which cancer site you are most interested in?

Your answer

Please specify understudied populations you work with or are interested in your research. You can choose multiple options.

- ☐ African Americans
- ☐ Hispanics/Latinos
- ☐ Asian American Pacific Islander
- ☐ Underserved rural populations
- ☐ Migrant and immigrant populations
- ☐ Children and adolescents
- ☐ Sexual and gender minorities
- ☐ Disabled populations

Please note your interested geographical areas (in or outside of US) in health disparities research.

Your answer

Are there speakers you would like us to invite at the monthly seminars?

Your answer

Would you be interested in organizing/moderating a seminar (one or multiple)? If so, please leave your contact

Your answer _____

We will organize a monthly Journal Club (any topics related to health disparities) on every third Friday 12:30-1:30pm. Would you be interested in participating?

- ☐ Yes
- ☐ No - not interested
- ☐ No - conflicted with other commitments
- ☐ Maybe

Please leave your contact with a suggested topic & preferred month in 2022 if you want to lead a Journal Club.

Your answer _____

We have several sub-committees in our group. Are you interested in becoming a member of following committees? You can choose multiple options.

- ☐ Monthly seminars planning
- ☐ Annual symposium planning
- ☐ Health disparities trainings
- ☐ Promoting diverse workforce
- ☐ Promoting health disparities research

If you selected above, please leave your contact
