Have you had a parent in jail or prison?

If you are 12-19 and have, or have had, an incarcerated parent/primary caregiver (in jail or prison), we want to learn from you!

Experiences with Parent Incarceration Research Study

A team of young adults, who have experienced parent incarceration, are on a research team looking to better understand their peers' needs and find ways to support youth who have experienced parent/primary caregiver incarceration.

You can help by participating in **two activities in one session** with other youth who have also experienced parent incarceration:

- Answer questions on a computer for 15-20 minutes
- Answer questions in a group of up to 5 youth (focus group) for an hour to an hour and a half

You'll receive

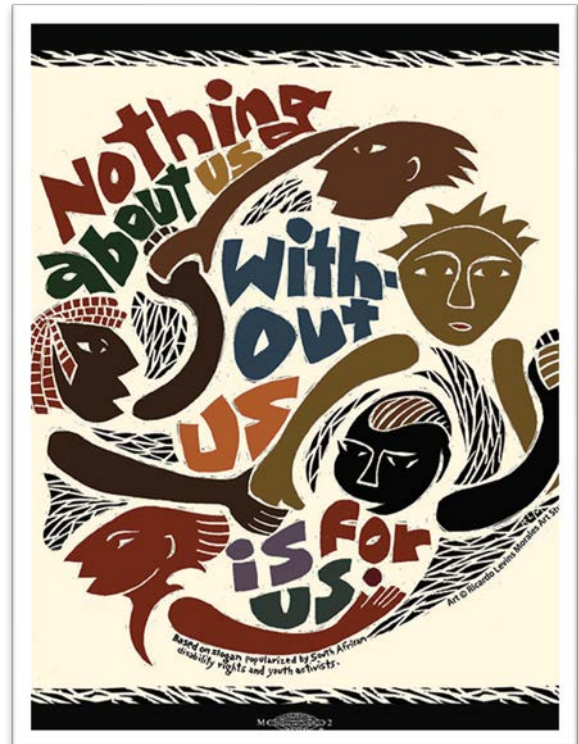

- \$30 for completing the questionnaire and focus group in the 1.5 hour session
- Snacks and refreshments

Location

- Project YouthBuild Gainesville

Are you eligible?

- Must be 12-19.
- Must have now, or had in the past, a parent or primary caregiver in jail and/or prison.
- Must NOT be a ward of the state (in foster care, in the custody of a child welfare agency).
- Must be willing to share about your experiences face-to-face in person.
