

InnovationLab: A Data Ecosystems Approach to Ethical AI for Biomedical and Behavioral Research

Developing social and technical approaches to defining and implementing ethics across the AI data ecosystem

March 14-18, 10-5pm. Virtual

OMB Control Number: 0925-0740

Expiration Date: 07/2022

Public reporting burden for this collection of information is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate, or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, Maryland 20892-7974, ATTN: (0925-0740). Do not return the completed form to this address.
