

2021 CASPHR Annual Conference Post Event Evaluation

Thank you for registering for the Advancing Rapid Cycle Research to Improve Cancer-related Care Virtual Workshop, hosted by the National Cancer Institute (NCI) on February 16-17, 2022. This anonymous survey requests feedback on the virtual workshop.

OMB No.: 0925-0642

Expiration Date: 03/31/2023

Public reporting burden for this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering, and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0642). Do not return the completed form to this address.

Which day(s) of the Advancing Rapid Cycle Research to Improve Cancer-related Care Virtual Workshop did you attend? (Select all that apply)

- ☐ Day 1: Wednesday, February 16th, 2022
- ☐ Day 2: Thursday, February 17th, 2022
- ☐ Did not attend

What is your professional role? Please select one.

- ☐ Researcher
- ☐ Clinician
- ☐ Patient/Survivor

- ☐ Advocate
☐ Administrator
☐ Payor
☐ Other

How helpful were the following sessions in obtaining a better understanding of rapid cycle research on Day 1: Wednesday, February 16th, 2022?

	Not at all helpful	Somewhat helpful	Very helpful	Did not attend
Conceptualizing Rapid Cycle Research and Portfolio Analysis	☐	☐	☐	☐
Discussion of Key Discussion of Key of Rapid Cycle Research	☐	☐	☐	☐
Interventional Study Designs for Rapid Cycle Research	☐	☐	☐	☐
Frontline Reports from Researchers	☐	☐	☐	☐

How helpful were the following sessions in obtaining a better understanding of rapid cycle research on Day 2: Thursday, February 17th, 2022?

	Not at all helpful	Somewhat helpful	Very helpful	Did not attend
Stakeholder Panel	☐	☐	☐	☐
Breakout Session Discussion	☐	☐	☐	☐

In your opinion, were the objectives of the virtual workshop met?

	Not at all met	Somewhat met	Fully met
Objective 1: Identify the principal features that should inform design of rapid cycle research to improve cancer-related care.	☐	☐	☐

Not at all met

Somewhat met

Fully met

Objective 2: Identify multi-faceted barriers toward conducting rapid cycle research in cancer-related care settings.

Objective 3: Generate viable solutions for increasing the quality and quantity of rapid cycle research conducted in cancer-related care settings.

Overall, how would you rate this workshop?

- ☐ Very Poor
- ☐ Poor
- ☐ Average
- ☐ Good
- ☐ Very Good

What did you like the most about the workshop and why?

How could this workshop have been improved?

What additional topics about rapid cycle research should be explored in the future?

Are you interested in any activities as a follow-up to this workshop? Check all that apply.

- ☐ Webinars
- ☐ Funding announcements
- ☐ Training programs/courses on rapid cycle research methodology
- ☐ Resources and tools for conducting rapid cycle research
- ☐ Other
- ☐ None

Is there anything else you would like to share about this workshop?
