1

2

3

4

5

☐☐☐☐☐

5b. Please elaborate on specific impacts regarding the above question. If you do not wish to provide any additional feedback, please proceed to the next question, please proceed to the next question.

Your answer

6a. Did you have sufficient time to perform your required task at each stage of the Challenge process?

☐ Yes

☐ No

6b. Please provide any feedback regarding the above question. If you do not wish to provide any additional feedback, please proceed to the next question.

Your answer

7a. Were the cash prizes sufficient for the overall value and level of effort for each stage of the Challenge?

☐ Yes

☐ No

7b. With respect to the above question, what do you value the most from your participation in this Challenge and why? If you do not wish to provide any additional feedback, please proceed to the next question.

Your answer

8a. On a scale of 1 (not valuable) to 5 (very valuable), how valuable did you find the Challenge topic area as it relates to the first responder community or the future of UAS technology?

1

2

3

4

5

☐☐☐☐☐

8b. Please provide any feedback regarding the above question. Please provide suggestions on ideas for future Challenge topic areas. If you do not wish to provide any additional feedback, please proceed to the next question.

Your answer

9a. The goal of the challenge was to create innovative UAS solutions to help first responders during their operational missions. On a scale of 1 (not likely) to 5 (very likely), do you think your solution accomplished this goal?

1

2

3

4

5

☐☐☐☐☐

9b. Please provide any feedback regarding the above question. If you do not wish to provide any additional feedback, please proceed to the next question.

Your answer

10a. On a scale of 1 (not likely) to 5 (very likely), how likely are you to participate in a future NIST Prize Challenge again as a contestant?

1

2

3

4

5

☐☐☐☐☐

10b. Please provide any feedback regarding the above question. If you do not wish to provide any additional feedback, please proceed to the next question.

Your answer

11. Please provide any suggestions on how the overall Challenge could be improved. If you do not wish to provide any suggestions, please submit your survey results now. Thank you!

Your answer

A Federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with an information collection subject to the requirements of the Paperwork Reduction Act of 1995 unless the information collection has a currently valid OMB Control Number. The approved OMB Control Number for this information collection is 0693-0033. Without this approval, we could not conduct this survey/information collection. Public reporting for this information collection is estimated to be approximately 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the information collection. All responses to this information collection are voluntary. Send comments regarding this burden estimate or any other aspect of this information collection, including suggestions for reducing this burden, to the National Institute of Standards and Technology, Attn: Terese Manley, terese.manley@nist.gov. *
