

WE NEED YOUR FEEDBACK!

Dear Subject Matter Expert (SME)/Judge:

Thank you for your participation in the NIST First Responder UAS Triple Challenge 3.1 FastFind! In order to provide an improved quality experience for judging and scoring in future prize challenges, the host, the Public Safety Communications Research (PSCR) division of National Institute of Standards and Technology (NIST), is requesting your participation in an independent and confidential survey. This is a voluntary survey that will provide us with your feedback as a SME or Judge in the NIST UAS Triple Challenge. Please take a moment to fill out this short, 8-question survey:
