the cap on h1bs should be set at zero. we have americna workers fluent in computer work and yet the lousy foreigners who have set up shop here keep asking to bring in more foreigners to take american jobs., this is just slimy as can be. such americans ae not americans at all but opportunists who will kill us at a moments notice. shut down the h1b program and all of the programs that bring in foreigners to take american jobs. this is slimy corrupt work going on here to satisfy those who want to pay less and hurt american workers. they aer slimy individvuals who dont pay taxes either all part of the lousy silicon valley crowd.
