RE: Port Gamble S'Klallam Child Support Program's Written Comments on the OCSE-75 Form (OMB Control Number 0907-0320).

Dear Commissioner Gray,

The Port Gamble S'Klallam Tribe ("Tribe") is a federally recognized, sovereign Indian tribe and signatory to the Treaty of Point No Point of 1855, with reserved rights thereunder. The Tribe submits these comments in response to the request for public comment in the Federal Register issued by the Office of Child Support Enforcement ("OCSE") on December 6, 2021.

The Tribe supports OCSE's proposed changes to the OCSE-75 Form. Changes to the OCSE-75 Form will improve our ability to provide the information requested by OCSE so that we can better support our children and families.

The Tribe commends OCSE for integrating work groups that included tribal child support directors and OCSE staff in its process for amendments to the OCSE-75 Form. The Tribe's representatives participated in this voluntary work group, and the Tribe applauds OCSE for engaging with the Tribe on a government-to-government basis with open dialogue and communication regarding the OCSE-75 Form revisions.

On behalf of the Port Gamble S'Klallam Tribe, thank you for accepting these comments on the proposed changes to the OCSE-75 Form. We appreciate OCSE's consideration of issues related to ensuring the quality, utility, and clarity of the information to be collected and minimizing the administrative burdens of collecting such information. We greatly appreciate OCSE's continued engagement with the Tribe. If you have any questions or need further information, please contact Child Support Program Manager Maria Huynh at (360) 297-9668 or mtran@pgst.nsn.us.

Sincerely,

Jeromy Sullivan
Tribal Chairman
